

TAITRON

components incorporated

Founded in 1989, TAITRON Components Incorporated maintains an inventory of more than 1.3 billion separate components and over 14,000 distinct products. TAITRON offers the services you need including Vendor Managed Inventory and Auto-Replenishment Programs. For over fifteen years, TAITRON has been satisfying it's customers with a complete range of products and services.
TAITRON – Your Discrete Superstore.

Value Added Services

Engineering

Engineering Samples
Engineering & Application Services
Failure Analysis & Corrective Action
Custom Product Markings
Special Electrical Characteristic Testing
Custom Design Components
Circuit Design and Test
Final Product Design and Integration

Inventory

Bonded Inventory
Inventory Consignment
In-Plant Stores
Auto Replenishment
Vendor Managed Inventory (VMI)
Third Party Warehouse
Kitting
Bar Coding
Cut Reels
Neutral Packaging
Discontinued Products

Procurement

Private Labeling
24 Hour Internet
E.D.I.
Dock-to-Stock Program
Cross Reference
Credit Card Services
Instant Order Confirmation
MRP Modeling
Forecast Pipelining
Off-Shore Sourcing

Shipping

Same Day Delivery
Drop Shipments
JIT Delivery
Order Consolidation
Consolidated Invoice
Consolidated Packing Slip
Custom Labeling
Real Time Shipping Notification
e-Invoice
e-Packing Slip

Cosmo

Photo Couplers, Solid State Relays, Reed Relays

Everlight Electronics Co.

Circuit Board Indicators, Displays, LED's (all types), Light Arrays, Photo Diodes, Photo Transistors, Surface Mount Packages

Fagor Electronics

Bridge Rectifiers, Diodes, Rectifiers, SCR's, DIAC's, TRIACs, TVS's, Zener Diodes, Surface Mount Packages

Fairchild Semiconductor

Bipolar Power Transistors, Bipolar Transistors, Diodes, JFET's, Linear IC's, MOSFET's, Power Switches, Small Signal Transistors, Switching Diodes, Voltage Regulators, Zener Diodes, Surface Mount Packages

HSMC

Power Transistors, Small Signal Transistors, Voltage Regulators

KEC

Linear IC's, Power Transistors, Small Signal Transistors, Voltage Regulators, Thyristors, TRIACs, Switching Diodes, Band Diodes, Zener Diodes, TVS's, Schottky Diodes, Voltage Detectors, Transistor and Diode Arrays, Surface Mount Packages

Princeton Technology Corporation

ASIC Services, Audio Processor IC's, Encoder/Decoder IC's, Display Driver IC's (VFD, LCD, LED, OLED), Fan Controller IC's, Microcontrollers, Multi-Media

Protek

Hermetic Low Cap Bi-directional, High Power/High Speed, High Speed, Asymmetrical, Low Capacitance, Monolithic Bi-Directional, Monolithic Uni-Directional, Telecom Diode Bridges, TVS Diode Arrays, Surface Mount Packages

PSD

Low Cost Discrete Semiconductors (commodity type)

Samsung Electro-Mechanics (Passive Components)

MLCCs, Chip Tantalums, Chip Resistors, Chip Inductors, Chip Beads

Synsemi

Leaded Proelectron Metallurgical bonded Zener Diodes using On-Semi Technology, SMD Zeners, Switching Diodes, Small Signal Transistors, Power Bipolar Transistors, TVS, Automotive Rectifiers, Bridges and Rectifiers

Vishay (General Semiconductor)

Bridge Rectifiers, Rectifiers (Standard, Hi-Efficiency, Ultrafast, Superfast, Schottky), Superrectifiers, Small Signal Transistors, Switching Diodes, TVS's, Zener Diodes, Surface Mount Packages

Vishay (Telefunken)

Diodes, Displays, IR Diodes, LED's, Optocouplers, Optical Sensors, Photo Transistors, PIN Diodes, Sinter Glass Rectifiers, Switching Diodes, Transistors, Zener Diodes, Surface Mount Packages

Yageo

Carbon Film Resistors, Metal Film Resistors, Precision Metal Film Resistors, Jumper Wire Resistors, Low Resistance Current Sensors, Metal Oxide Film Resistors, Power Resistors, Thick Film Resistor Networks, Wirewound Resistors

Zowie Technology Corporation

Chip Diodes, Chip Bridges, GRPC (Glass Passivated Rectifier Chip) patented technology, High Rel Diodes and Rectifiers, High Voltage Single Junction Diodes, Surface Mount Packages
